Dear Mr Higgott

Pamper Cleaning have been providing an excellent cleaning services to our offices in W1 since August 2007 and I felt it was time to put on record our satisfaction and appreciation.

I would say we are a very demanding customer and have requested above and beyond the standard level of service and the team deployed on site each morning and the guys in the office at Pamper cleaning always seem to deliver.

I am confident that the relationship between us will continue into the future and I am more than happy to recommend their services on request.

Yours Sincerely,

Barry Ennis
